SKILLS

Technical Skills:

- Angular Frontend Development
- .NET Development
- Java Springboot
- MS SQL

Soft Skills:

- Collaboration
- Adaptability
- Continuous Learning
- Communication

EDUCATION

B.E ECE

NATIONAL ENGINEERING COLLEGE

2019 - 2023

ADDITIONAL INFORMATIONS

- Actively exploring the world of UX/UI design to merge creativity with functionality.
- Enthusiastic about leveraging a passion for motorcycle travel to gain diverse perspectives and inspire creativity in tech projects.

PROFILE

Dedicated Frontend Developer holding a B.E. in ECE, actively leveraging expertise at Brimma Tech Inc, Chennai. Skilled in Angular, Ionic, Bootstrap, HTML, CSS, and JavaScript, with a burgeoning passion for UX/UI design. Complemented by a foundation in .NET, Springboot Java, and MS SQL, further strengthened by hands-on experience gained during a full-stack development internship. Excited about applying both technical and creative skills to craft outstanding software and web applications.

WORK EXPERIENCE

INTERNSHIP - Full Stack

Brimma Tech Pvt. Ltd, Chennai

2022-2023

- Results-driven and detail-oriented Full Stack Development intern with hands-on experience in .NET MVC, Java Spring Boot, and MS SQL. Proven ability to contribute to the entire software development lifecycle, from conceptualization and design to implementation and maintenance.
- Adept at collaborating with cross-functional teams to deliver high-quality solutions that meet client needs. Possesses strong problem-solving skills and a passion for staying abreast of emerging technologies in the dynamic field of full stack development. Committed to continuous learning and growth in the ever-evolving landscape of software development.

FRONT-END DEVELOPER

Brimma Tech Pvt. Ltd, Chennai

2023 - Present

- Contributed in planning and design efforts for innovative software and web applications utilizing Angular and Ionic frameworks in the last 8 months.
- Reviewed, composed, and refined code for optimal efficiency and maintainability, resulting in high-quality deliverables.
- Engaged with cross-functional teams, including Quality Assurance, to ensure applications adhered to specified technical requirements.
- Applied engineering methodologies, demonstrating expertise in both process design and redesign.
- Showcased continuous learning and adaptation to emerging technologies and best practices during the past 8 months.

HOBBIES:

• Music Enthusiast:

A passionate musician who enjoys playing [specific instrument] and exploring diverse genres. This hobby reflects creativity, discipline, and an ability to appreciate various forms of art.

• Gadget Repair Enthusiast:

Adept at repairing and troubleshooting electronic gadgets. Engages in DIY projects to enhance technical skills, problem-solving abilities, and a keen interest in emerging technologies.

• Motorcycle Riding:

Enjoys exploring new landscapes through motorcycle rides, demonstrating a spirit of adventure, discipline, and an ability to handle challenging situations.

PROJECTS:

BEEM | Brimma Tech Inc.

- Description: Collaborated on the development of a dynamic application using Angular, resulting in increase in user engagement and a seamless user experience.
- Achievements: Implemented responsive design principles, optimizing the platform for various devices.
- Successfully implemented a dynamic and responsive email templates in the application.

Brimma Library Components | Brimma Tech Inc.

- Developed reusable library components for the Brimma project, ensuring consistency and efficiency in the user interface.
- Worked closely with cross-functional teams to integrate library components seamlessly into the larger application.

Vallia Landing Page | Brimma Tech Inc.

- Spearheaded the complete refactoring of UI codebase, enhancing maintainability and reducing technical debt.
- Achieved notable improvements in responsiveness, ensuring a seamless user experience across various devices and screen sizes.
- Implemented best practices and design patterns to streamline the UI architecture, resulting in a more scalable and modular codebase.

Vallia DUAL AUS | Brimma Tech Inc.

- Description: Played a key role in the enhancement of the Dual Aus project, focusing on improving both the user interface (UI) and overall performance.
- Achievements:
- Implemented UI enhancements resulting in a more intuitive and visually appealing user experience.
- Collaborated with cross-functional teams to gather requirements and ensure seamless integration of enhancements.

SINCERELY,

ABISHEK G
